"Send By Enclosed Girl."

An East Side druggist is preparing a unique scrap book. It contains the written words of some customers of foreign birth, and these orders are both amusing and curious. Here are some that are copied from the originals.

Mr. Joseph Pominville, of Stillwater, Minn., after having spent over \$2,000 with the best doctors for stomach trouble without relief, was advised by his druggist, Mr. Alex. Richard, to try a box of Chamberlain's Stomach and Liver Tablets. He did so, and is a well man today. If troubled with indigestion, bad taste in the mouth, lack of appetite or constipation, give these Tablets a trial, and you are certain to be more than pleased with the result. For sale at 25 cents per box by Craig & Hocker.

Mayor Low, of New York, is telling an incident that occurred while he was visiting one of the State prisons in company with a clergyman. The good man stopped at the cell of a burglar and asked, solemnly: "My poor, erring brother, have you any hopes for the future?"

"Now," answered the prisoner, with deep dejection. "By the time I gets out of this blasted jail I'll be too old to break into anybody's house."

A Whitesburg dispatch says: Great excitement prevails over the shooting of Eli Lucas by Mrs. Frances Adams, daughter of William J. Bates. The Lucas faction threatens to kill any member of the Bates and Adams faction on sight. Bates and Adams followers are heavily armed and bloodshed is expected.

Congratulations to Mr. Jesse M. Alverson, our next representative. Having beaten a good man as his opponent, the nominee of the opposing party will stand no chance in defeating him. CHURCH MATTERS.

Elijah the Second has issued an order barring all chickens from Zion.

The Baptist denomination has five associations and 108 churches in Russia, 117 preachers, 130 chapels, 457 preaching places and 27,110 church members.

The proposition to change the name of the Protestant Episcopal Church was voted down by large majorities of both clergy and laity in the Philadelphia diocese. In New Jersey there was a large majority against it in the laity and a small majority against it in the clergy.

A Startling Test.

To save a life, Dr. T. O. Merritt, of No. Melhopy, Pa., made a startling test resulting in a wonderful cure. He writes, "a patient was attacked with violent hemorrhages, caused by ulceration of the stomach. I had often found Electric Bitters excellent for acute stomach and liver troubles so I prescribed them. The patient gained from the first, and has not had an attack in 14 months." Electric Bitters are positively guaranteed for Dyspepsia, Indigestion, Constipation and Kidney troubles. Try them, Only 50c at all druggists.

"Who were those two women who just registered?" Inquired the hotel proprietor.

Much interest is being manifested in the music to be rendered by the sweet singing soprano, Miss Nell Quick, at the Christian church here next Sunday and Sunday night. Howard Camnitz has his arm and eye with him in the Cotton Belt League this year, where he is pitching for the Vicksburg team. The Vicksburg Daily Herald referring to their first game with Greenville, says: Howard Camnitz was selected by Manager Earle to pitch the opening game and if Hahn had not taken a nap in the third inning, he would have secured a victory against the Greenville. As it was the youngster had his opponents at his mercy from the start, permitting only six hits during 11 innings and striking out eight of the visitors. Besides pitching a magnificent game, Camnitz did some terrific batting, getting two doubles and a single out of five times at the bat and felled his position up to the notch. Next day at Monroe, La., Camnitz pitched the winning game 4 to 1; four times at the bat, getting three hits and striking out 15 men.

It is only within a year that Friday has become a departing day for Atlantic steamers, the seamen's superstition as to its bad luck having formerly been taken into account by the companies. Formerly this superstition prevailed almost as much in regard to travel on land, and many a shrewd traveler took advantage of it by starting on Friday on a journey with the assurance that he would have plenty of accommodation without engaging a Pullman berth in advance. But this folly as to Friday is passing away, with a good many others of the same kind, including the absurd dread as to the fatality of the number 13.

A TOOLMAKER in Hamilton, O., has announced the perfection of a marvelous process for tempering steel. He has given a public demonstration of the possibilities of his process, using a razor of his own manufacture. With it he cut pieces from wrought iron nails and then shaved himself in sight of his audience with the same blade, without altering its condition in the least. This invention is a step in the direction of morality. With a good razor and a good shave a great deal of profanity can be dispensed with.

EDWARD VII, King of England, threatens to strike. He wants an advance of \$150,000 to yearly wage of \$2,350,000. On the ground of onerous duties, excessive housekeeping and expanding sovereignty he can no doubt make a strong showing. Though monarchy is an expensive toy, King Edward can plead in his own behalf that the per capita cost of government in Great Britain is not so great as in the billion dollar country across the seas.

HERE'S the ticket and it is a good one too: For Governor, J. C. W. Beckham; for Lieutenant Governor, W. P. Thorne; for Auditor of State, S. W. Hager; for Treasurer, H. M. Fuqua; for Commissioner of Agriculture, Hubert Vreeland; for Clerk of Court of Appeals, J. Morgan Chinn.

ANTECARLO 2:26 1-2.

Made over Versailles track in winning race.

Sired by Anteo, 2:14 1/4, that sold for \$50,000 at public sale. 1st dam Mary Ann, by Halstorm, 3:15, son of Mambrino Patchen. These two crosses produced The Abbot, 2:03 1/4, champion trotting gelding of the world. 2nd dam by Independence, son of American Star. The American Star and Andrew Jackson blood is responsible for Cresceus, 2:02 1/4, the champion trotting stallion of the world. You see Antecarlo's two top crosses are responsible for the fastest gelding, two next crosses are responsible for the fastest stallion. Then you see he is better bred than either of them for he has the blood of both.

Antecarlo is a solid brown horse, 15 1/2 hands high, weighing 1,175 pounds, fine style and action. One of the best posted men on trotting horses writes of him as follows:

In regard to the stallion, Antecarlo 2:26 1-2 you bought at T. H. Smiley, I saw him work him about 60 days in 1901 and consider him one of the fastest trotters I ever drove, or in other words, about as fast as I ever saw. I have seen him trot a 200 gal time by a prospective buyer. There never was a time while he was in my charge that he could not set a quarter in 1:25 to a half. He does not need any extra rigging of any kind.

He will make the present season at our sale barn at \$15 to insure a living colt.

PENCE (Standard.)

Will also stand this well-known horse. He is too well-known to need comment. As a sire of high-class business horses, he has never been surpassed. Will stand at \$20 to insure colt. Mares parted with after being bred to these horses forfeit insurance and money become due. Lien retained on colts until season is paid. E. H. BEAZLEY & CO.

DEFORD.—Mr. George W. Deford, who made Lincoln county one of the very best jailers she ever had, announces his candidacy for sheriff. There is no doubt about the democracy of this gallant old ex-Confederate soldier, who has fought as hard for his party in times of peace as he did for his country in times of war. Mr. Deford has a good following in every section of the county and many think he will be a certain winner.

INSTEAD of the usual Juno concert, Miss Ellen Ballou has engaged Mr. Frederick J. Hoffmann, of the Cincinnati College of Music, to give a piano recital June 2. Her object in bringing Mr. Hoffmann here is, that her pupils may have the privilege of hearing a first-class artist. But for a special and very generous arrangement on the part of the College of Music, it would not be possible for Miss Ballou to afford the entertainment. The admission, 25c, 35c and 50c, for reserved seats is put as low as possible to make expenses. Mr. Hoffmann brings with him his own Steinway Concert Grand piano. It is not often a town the size of Stanford is so fortunate as to have a musician of his reputation to visit it, and certainly all who can, will gladly avail themselves of the opportunity to hear him.

DON'T KICK.—When the county supervisors met some months ago and made a number of "raleses" a mighty howl went up and the members of the board were censured world without end. The INTERIOR JOURNAL implored the kickers at the time not to tear their nether garments, that everything would come around all right, but some were disposed to continue to kick against the pricks, while others went so far as to renounce their allegiance to the democratic party—charging that party with the crime of raising the valuation of their property. Now the word comes from Frankfort that the board of Equalization, realizing the good work of the county board, asks no questions and accepts the local assessments. This is a compliment to both our assessors and board of supervisors and if those who kicked so loud and long are as fair and honest men as they should be they will withdraw their condemnation of the gentlemen who acted as supervisors and commend their work with unstinted praise.

MARK HARDIN bought yesterday of J. W. Baughman, manager, the remaining half interest in the St. Asaph Hotel.

THE L. & N. will sell round trip tickets to Louisville May 18 and 19th, limited to 21st, at \$3.30, on account of the G. A. R. reunion.

THE good work of the board of supervisors in this county is shown by the fact that the State Board of Equalization accepted the assessments made by them.

LADIES, we claim to have the most complete stock of high class dress goods and novelties in Stanford and our departments were never more complete than now. If you are looking for goods we have them. John P. Jones.

TRAVELING men and the public generally will learn with regret that Mr. and Mrs. Alexander Tribble have decided to quit the hotel business. They will sell or rent their splendid property, The Tribble House at Junction City, and will more than likely spend their declining years on a farm.

THE street fair at Lancaster is being largely attended and Stanford people have been very much in evidence. The show is a first-rate one and is well worth one's time and money. In the race for Queen of the Carnival, Miss Sallie Rose, the pretty daughter of Jailer David Rose, won. Miss Rosella Guley was second, and Miss Mittie Dunn third.

HILL.—Mr. T. Jeff Hill, Sr., who made a fine race for the nomination for sheriff two years ago, announces this issue that he will try it again. Besides being an excellent gentleman and in every way deserving of the office he seeks, Mr. Hill has been a consistent and working democrat since he was a boy. He is a very popular man and if he doesn't cut a big figure in race for sheriff his friends will be greatly disappointed.

FOLLOWING is the official vote of Lincoln county in the State races: For Governor, J. C. W. Beckham 985, Judge B. J. Brockridge 10, Hon. Jas. D. Black, 1, Col. W. G. Welch 3, John W. Holmes 2, Carlie Gover 1, G. B. Cooper 1, Eph Pennington 1.

For Lieutenant Governor, W. P. Thorne 511, Abram Renick 325.

For Auditor, S. W. Hager 186, John B. Cheabutt 712.

For Clerk of Court of Appeals, Morgan Chino 465, Robert L. Greene 519.

MATRIMONIAL.

John Salles and Nora Dean, of Mercer, eloped to Washington county and were married.

At Nashville, Ind., Jacob Beach, aged 30, and Miss Belvedere Reed, 14, were united in marriage.

Edward W. Southwick, of Tiffany county, Ala., and Miss Maggie Sandidge, a popular lady of the West End, were married at Mr. Weaver Dunn's yesterday.

The Minister's Association of Des Moines, Ia., has taken a stand in favor of a mixed commission of physicians in each county to have absolute control of marriages.

A girl in New Jersey caused rival lovers to fight a duel and after they had pummeled each other into unconsciousness with clubs she ran away with and married a rank outsider.

England is getting a move on in the matter of divorces. At the opening of the divorce court in London, after the Easter recess, there was a record number of cases, 215 in all, on the calendar. Eighty-seven wives and 158 husbands sought release from matrimonial ties.

A Sure Thing.

It is said that nothing is sure except death and taxes, but that is not altogether true. Dr. King's New Discovery for Consumption is a sure cure for all lung and throat troubles. Thousands can testify to that. Mrs. O. B. VanMetre, of Shepherdstown, W. Va., says: "I had a severe case of bronchitis and for a year tried everything I heard of, but got no relief. One bottle of Dr. King's New Discovery then cured me absolutely." It's infallible for Croup, Whooping Cough, Grip, Pneumonia and Consumption. Try it. It's guaranteed by all druggists. Trial bottles free. Regular sizes 50c and \$1.
